Cyber Threat Hunting

INFOSEC

Aug 31, 2024

David José Araújo Ferreira

has successfully completed the online, non-credit Specialization

Cyber Threat Hunting

This specialization teaches you the necessary skills to become a successful threat hunter. As you progress through the modules, you'll build core hunting skills such as intelligence gathering, investigation techniques and remediation methods. Upon completion, you'll have the knowledge and skills to carry out cyber threat hunting activities with an organization that will ultimately deliver proactive defenses against possible debilitating data compromise.
